FAIRCO
WINDOWS & DOORS

TURN YOUR HOUSE INTO A HOME

Unmatched levels of quality & craftsmanship

FAIRCO is a trusted provider of windows and doors for existing homes in the greater Dublin region. Our team has been crafting beautiful bespoke products for over 35 years.

We want to help our customers craft their dream homes. Whether you want a sleek, contemporary aesthetic or a warmer, more traditional look for your home, our skilled craftsmen can create a solution to suit you.

EFFICIENT, TIDY & FRIENDLY INSTALLATION

Make an unforgettable first impression

At FAIRCO, we provide high-quality, energy-efficient and burglar-resistant products as standard. But we don't compromise on style either. From initial design to stress-free installation, our specialists are here to guide you every step of the way.

We tailor our windows and doors to suit each customer's unique needs. Across our range, we have an unmatched choice offering.

Over 35 years' experience

At FAIRCO, we don't believe in a one-size-fits-all solution. Instead, we complete a personal assessment for each customer before providing a precise quote. We promise to provide the highest quality windows and doors at a great price.

For maximum satisfaction, all our products are tailor-made for your home, so you can choose the perfect materials and colours to create your dream home.

WINDOWS

SLEEK, CHIC AND LONG-LASTING

We believe style, security and warmth go hand-in-hand. That's why FAIRCO provides the highest quality burglar-resistant, draught-proof windows. Our stylish windows are tailor-made just for you.

GET THROUGH WINTER IN WARMTH

Made-to-measure, our windows fit each home's unique character just right. Providing A-rated windows as standard, FAIRCO's energy efficient fittings also lower heating bills, reduce draughts and retain heat.

As well as improving heat retention and improving noise reduction, installing double or triple glazed windows can also reduce airborne noise pollution turning your home into a calmer environment.

DESIGNED FOR YOU

At FAIRCO, our craftsmen can create bespoke pieces for each customer. This ensures we deliver high quality windows to suit every home. Whether you want to create a modern aesthetic or a more traditional look, we're here to help. You choose the perfect material, style, glass and colour and we'll do the rest.

THE RIGHT STYLE FOR YOUR HOME

Choose from our large selection of stunning styles to create your dream home.

With colours such as white, cream, anthracite grey and green to woodgrain, oak and rosewood, we will create the perfect windows to match your home.

DOORS

UNFORGETTABLE FIRST IMPRESSIONS

At FAIRCO, we offer everything from standout front doors to elegant sliding doors and all come with a 10 year manufacturing guarantee and an A-rated energy rating as standard.

FAIRCO Doors can be designed to suit your home, with a range of materials and styles available. All our doors are burglar-resistant and energy efficient.

TAILORED TO MATCH YOUR HOME

Our doors are tailored to each customer so we can deliver the perfect product that will last our customers a lifetime. You choose the materials, style and colour and we'll do the rest. Make a striking statement wherever they are installed.

Without compromising on security or warmth, you can introduce an elegant wow-factor to your home.

SECURED BY FAIRCO

All our doors exceed standard security requirements, are burglar resistant and backed by Yale's security guarantee.

Each door features a range of security features to provide you with peace of mind.

ENERGY EFFICIENT

Tailor-made for each customer, our doors are manufactured with the highest quality components on the market. Our solid and glass pane doors all eliminate draughts and come with an A-rated energy performance. This means a warmer and more comfortable home for your family, as well as lower heating bills for you.

FAIRCO Deansgrange

TRUSTED BY OVER 25,000 CUSTOMERS

”

Really excellent job all round. Faultless at every step of the process from Jack in sales, Kevin on the site survey and Sam on installation planning & payment and finally Michael and team who did the actual install. I would have no hesitation in recommending FAIRCO Windows & Doors to anybody.

- Mr & Mrs Beauchamp

”

Top class as always, very very happy with the finished product, once again FAIRCO looked after me very well, my wife wishes to pass on a special thanks to Sam and his crew, couldn't ask for a nicer group to deal with.

- Mr McKenna

”

Fantastic service, top-class workmanship. All done in two and a half days.

Fitters Gary and Jamie were very friendly, and left no mess after the job. Paul, the sales rep was very helpful, and the price was reasonable. I highly recommend FAIRCO.

- Mr O'Farrell
